

Washington State Republican Party

A resolution in opposition to any mandatory vaccine policies

WHEREAS: The Constitutions of both the United States and the State of Washington guarantee the right of citizens to be secure in their person and property: and

WHEREAS: Sensitive patient health information should never be required to be disclosed as a condition of employment or insurance in order to protect the patient: and

WHEREAS: Medical decisions should not be mandated or enforced through either legislative or executive action:

BE IT RESOLVED: The WSRP will strongly oppose any attempt to require mandatory vaccinations as a condition for any public interaction, work, travel, healthcare or to receive any type of government program or assistance.
